If you update all your documents and everything is correct the university will validate your pre-enrolment application. After the validation you will have to contact the Italian Embassy/ Consulate in your country of residence to start the Visa procedure.
If there are documents missed the university will contact you and you will be notified by email about this. You will be also notified when your application is validated.
Please note that the validation made by the university does not give you the right to obtain the Visa since this decision is made only by the Italian Embassy/ Consulate in your country of residence.
